Prizes from the December Canton A&S Contest have been handed out, congratulations Lord Michel, Lady Morag, and Lord Martin

The December Canton A&S Contest was well received, A discussion was held on whether or not to hold another next December and all were in favor. The theme of largess was brought forth, but as the Canton has practically no need for largess the idea was turned to Regalia.

- Vote to hold a Regalia themed A&S Competition in December 2014 with prizes was passed

Three events in the next 3 months have A&S focuses: Practicum in Caldrihig, Scola in Northern Outpost, Break the Back of Winter in Greyfells

Discussion on the Canton as a group entering the Dirty Dozen Donation Derby at Break the Back of Winter, and what theme to use. The idea of a theme for children was popular

- Vote to enter DDDD as a Canton, with a theme of "Items for Little Hands" was passed

Lady Kaolin's term is coming up in about a year. She is seeking someone to be her deputy with the intent of replacing her when her term is up. As this is basically an application for the MoAS position, any interested persons should contact Lady Kaolin or Lady Gwendolyn. Vote to be held at the March meeting.

The A&S Report is due at the end of February, send your projects to Lady Kaolin.
