

## CANTON OF HARROWGATE HEATH

### Meeting Minutes - Summary

December 7, 2008

- The November meeting was suspended due to lack of quorum. The minutes from October were reviewed and adopted without changes.
- The canton welcomed Michael, a member from the area to the meeting.
- Emelote reminds the canton that finding a **drop-dead deputy Seneschal** is important as she is halfway through her term. Anyone interested in discussing the position is invited to contact Emelote ([emelote.of.calais@gmail.com](mailto:emelote.of.calais@gmail.com), 613-907-6803). Deputies for all other officer positions are also wanted.
- The officers are still working on drafting a two page by-laws document.
- Avelyn has been elected as the next Exchequer with a unanimous vote. Richard will be finished his term at the end of January.
- The ownership and appropriate use of the Yahoo group remains under discussion.
- Members of HH are now listed as under the barony on Wolfium.
- The Society has moved the Web Minister into its own office from reporting to the Chronicler, and this will likely filter down through levels to cantons.
- The canton continued discussing the motion to move that the canton adopt a Chirurgeon as a position. Currently, Gina has been nominated as the first holder of this office.
- A phone list for the canton will be drawn up for members only.
- The taxes were presented very successfully at Hare in November and they were well received by both the Vicaress, and Their Majesties. A next step for this vow is to develop a HH tabard and spear for members to adopt while on guard.
- A summer event was discussed around the table. Mike has offered his farm as a possible location for the event. The timing/theme for the event was suggested around the June solstice (June 20). This will be discussed in upcoming meetings.
- The canton has suggested the May 23 weekend for the next Chesterville demo. Mark your calendars ☺
- The next meeting will be for January and February and will coincide with the canton's second anniversary (Jan. 26) and Robbie Burn's Day (Jan. 25).
