

## CANTON OF HARROWGATE HEATH

Sunday, June 5, 2011

Gina is collecting all the membership information as well as contact information for each member. If you not already done so, please send this information to her.

We are still waiting to hear word about the canton's badge after it was re-submitted (from July 2010).

Fighter practice had a troop of boy scouts who showed interest in Boffer fighting.

The fighting practice has moved to Cornwall park on good days and will remain in St. Joe's in rainy weather.

Nathanael was elected as our new Persuivant effective with his membership renewal

Morag is looking for a new archery marshal for next event.

There will no drinks for sale at this event since the vendors in the Farmer's market will be selling them.

**Crown Tourney** - Morag shared her thoughts about the Crown Tournament event. Cennédig and Kaolin also shared their experience in court as they received their bunny tails. Overall, it was a good event.

**A&S:** If you have something that you would like to learn or teach, Send your ideas or thoughts to Gina and she will work with Fulke in organizing some fun A&S Sunday activities over the next year.
