

Harrowgate Heath Business Meeting

Sunday, March 25th, 2012

These minutes must be distributed to all canton members.

Members in attendance: Gina, Richard, Bridget, Cennèdig, Kaolin, Gwendolyn, Siglinde, Vodnikov, Aevia, Baldric, James, Morag, Michael

Chaired by Seneschal: Gina

Welcome all in attendance.

This was an emergency meeting to discuss and vote upon the event known as Summer Siege for 2012.

Morag is co-autocrat with Siglinde (who completes all paperwork) and Cénnidig who will act as deputy autocrat.

Concern that the Chesterville Market is moving sites before our event - what is the impact for us? With discussion, it comes down to - if they charge us more than we can handle, we have Michael's farm as a backup location. The plan is being taken to the town council this coming week.

Since we made NO money on the event last year, our budget is very limited this year.

Feast was discussed and we thought that it would be fun to have a potluck dayboard as well as feast. We also discussed the idea of having a 'stone soup' pot again - which was a great success at the canton's 12th Night dinner.

Prizes will be needed for this event, so take a look around your homes and consider donating something as a gift.

All of the members will need to bring their coolers and chunks of ice to help keep food cool during the day.

THIS EVENT WAS APPROVED!!

We discussed the idea of gate by donation, therefore - it is basically free. This will depend upon site costs. Several canton members offered to cover expenses out of pocket to make the event available to all members.

Feast/lunch tokens as well as site tokens were shown around the room.

This emergency meeting lasted 1 hour, followed by A&S heraldry banners and potluck.

Next meeting April 1st (no joke) at the Winchester Lodge.
